2006 Bricco Pinot Noir \$26. Featured in the March Newsletter

Aromas of blackberry, raspberry, vanilla, rose petal and lilac lead into a palate of cherries, red raspberry and baking spice. Supple tannins and lingering acidity are balanced with intense flavors, qualities that should allow this wine to develop over the next 3-5 years.

2005 Bricco Syrah \$27

Rich, dark aromas of huckleberry, blackberry and smoked meats precede a palate of ripe, lush black cherry, leather and cocoa. The plush entry of this wine is supported by well-structured tannins, a quality that should allow this wine to age for the next 5-7 years. Pair this Syrah with grilled or smoky meats and sauces, barbeque or the occasional chocolate truffle.

2005 Bricco Two Rivers Bordeaux Style \$20

Aromas of cassis, licorice, and dried plum are complimented with notes of cocoa, brown sugar and dark berry fruits while flavors of black cherry, blackberry, boysenberry and cassis dominate the pallet. This dark, inky wine exhibits firm acids which are supported by focused tannins, giving the impression of an intensely ripe wine with a lingering richness. Properly cellared, this wine should continue to develop over the next 5 to 10 years.
