NV Perrier Peters Grand Cuvee Reserve \$57.

Pale yellow. Mineral-laced aromas of lemon, kumquat, green apple and quince, plus a deeper note of sweet butter. Bracing and nicely focused, but with a gentle suggestion of sweet butter to the pure citrus and quince flavors. This emphatically dry wine shows a persistent note of chalk straight through the finish. An exceptional non-vintage bottling, with a biting mineral personality. **90 Points Stephen Tanzer**

NV Vilmart & Cie Grand Cellier \$67.

Light yellow with a strong bead. Exotically perfumed nose displays iodine, pear skin, vanilla and vitamin B. Rich and smoky, with powerful orchard fruit and honey flavors becoming more minerally with air. Deftly blends vivacity and depth on the stony finish, which strongly repeats the vanilla and smoke notes. This is a wild ride. **93 Points Stephen Tanzer**

NV Michel Turgy Brut Blanc de Blancs Mesnil Reserve Selection \$60.

Light gold with a strong bead. Smoky aromas of singed pear, almond, brioche and dried flowers. Rich and creamy, with deep orchard fruit and honey flavors braced by gently tangy minerals. Combines depth and vivacity, finishing with echoes of nuts and sweet butter. This will work well with a creamy poultry or shellfish dish. (North Berkeley Imports, Berkeley, CA) **90 Points Stephen Tanzer**

NV Egly-Ouriet Les Vignes de Vrigny Premier Cru Brut \$67.

Disgorged July, 2008 after 36 months on the lees) Light yellow with a strong bead. Smoky citrus and orchard fruit aromas pick up gentle herb and spice notes with aeration. Fleshy lemon and yellow plum flavors are enlivened by citrus pith and dusty mineral qualities and firmed by a hint of bitter licorice. Leaves a trail of exotic spice and floral notes behind. This is 100% pinot meunier. **91 Points Stephen Tanzer**
