**SANTIAM IS NOW OPEN UNTIL 7 o'clock TUESDAY—FRIDAY.**

**2008 Foris Fly Over Red, Southern Oregon, \$10.**  
A wonderful blend of Cabernet, Merlot and Cab. Franc  
Balanced and full of flavor!

**2008 La Flor Malbec, Argentina: \$14.**  
In The Glass, This Malbec reveals deep, dark magenta colors and aromas of violets and black plums. Round, well-structured tannins are integrated into the ripe plum blueberry, cherry and chocolate note. Hints of wood smoke and Carmel linger throughout the lengthy finish. This is an ideal wine to. Accompany a variety of meats from the grill.

**2008 Corvidae "Rook" Red Blend, Washington: \$11.**  
A blended red wine is a crowd-pleaser. It's a blend of Cabernet, Merlot, and Syrah from three distinctly different vineyards - Ironbird Vineyard, in Southern Oregon's Applegate Valley, Erickson Vineyard, in Washington's Yakima Valley, and St. Isidore Vineyard, in the high priced and trendy Walla Walla appellation. The ripe and rich Cabernet flavors prevail - juicy loganberry, cassis, and a base note of black plum and cherry. Syrah adds richness, and Merlot smooths the velvet finish.

**2009 Cono Sur Carmenere, Chile: \$9.**  
Very juicy, with forward, tasty flavors of plum, blackberry, tobacco and roasted vanilla. There's a nice dash of grip on the finish. Drink now

**2009 Gran Sasso Sangiovese, Italy: \$10.**  
Sangiovese's claim to fame is its role as the heart of Chianti, Brunello and many Super Tuscan wines though it is gaining ground as a varietal wine around the globe. When grown in a suitable location the grape's soft tannins, succulent acidity and moderately intense cherry and herb flavors make Sangiovese very easy to drink as well as supremely versatile at the dinner table.

**2008 For A Song Cabernet Sauvignon, Columbia Valley \$14.**  
This wine has a beautiful nose ripe with dark cherries, black currants, tanned leather and dark chocolate. A nice long finish lingers with flavors of licorice, olives and clove. Gentle tannins provide a graceful structure to the rich and velvety mouth filling flavors. Drink now, while it's still available.
